the sun would fall.  
I would just sit here,  
all in all.  
Because think of what would happen,  
if I rose with the sun?  
Think of all the pain.  
To you, it's just begun.  
I sing a song,  
a song for you.  
Might not be the best,  
but it's all I can do.  
Because think of what would happen,  
if I didn't sing at all?  
The sun might keep on risin',  
but it would never fall.  
Because think of what would happen,  
if my songs weren't for you?  
I would fall down on my knees,  
'cause cryin' is something I often do.  
You try to think,  
of everything.  
It's just something,  
you can't do.  
So we fall down on our knees,  
feelin' like a bunch of fools.  
Think of what would happen, da da da da, da, da.
