Take these tires
Take me on
Wheels to ride
Puts me off

You're an act
You're a card
Recognized
Tamed and taut

Neon love (pos. Mi Amor?)
Without a doubt
Please feel free
To wipe them out
Around, around
My (purpose met?)
I hope you know
My lady (Ann?)
While I figure it out

(You seem thin,
Already ate... ?)
Recognize
Million name
That's your call,
That's your blow
That's your chance,
Now you'll know

Neon love
Without a doubt
Please feel free
To wipe them out
Around around
(Might put just that?)
I hope you know
My lady (Ann?)/(My Radiant?)
While I figure it out
While I figure it out
