do mi sol do do sol mi do  
Every truly cultured music student knows  
You must learn your scales and your arpeggios  
Bring the music ringing from your chest  
And not your nose  
While you sing your scales and your arpeggios

If your faithful to your daily practicing  
You will find you progress is encouraging  
Do mi sol me do mi sol me fa la sol it goes  
When you do your scales and your arpeggios

Do mi so do  
(Fast piano music playing)

do mi sol do do sol mi do do mi sol do do sol mi do  
Though at first it seems as though it doesn't show  
Like a tree ability will bloom and grow  
If you're smart you'll learn by heart what every artist  
knows  
Your must sing your scales  
And your arpeeee ee eeggioooooooooooooos!
