Somewhere tonight.
Inside of me.
A smile so distant... memory.
Covering up my face.
Landed on my knees.
So you can never see
The darkest part of me

[CHORUS:]

Shutting my eyes,
I'm dying inside...
I've lost myself
A thousand times.
But i can remain
In spite of the pain.
I'll cross this line
Just one last time.

They are part of me;
These words that never heal.
They still remind me
That all of this is real.
Hiding from the world,
Lost in my disease.
So you can never see

The darkest side of me.

[CHORUS]

I can feel it..
I can feel it..

... Just for a second I want you to see
I hide myself from you
I hide myself from you

I feel so infected from these memories.
I hide myself from you.
I hide myself from you.
(from you, from you...)

[CHORUS]

Just one last time.
I'll cross this line
Just one last time.
Just one last time.
I'll cross this line
Just one last...
Just one last time.
