When I think about it when I got so much that I just can't  
complain and if I choose to believe something  
New you can't con sev cause the thoughts are confined  
how you gonna find the nerve to believe that you  
Thought you'd be mine he's what I feel inside

I just don't wanna be misunderstood nobody telling me  
what's wrong or right bad or good cause I'm grown  
I wanna feel free to release it if that's the way I'm  
feeling I wanna believe who I am to be and if I feel  
Disrespected that should be respected that's right  
above restriction of opinions how ever I whatever I

Don't think I'm selfish don't let it be a day when I'm  
feeling that the world is mine oh I'll make no  
Mistake cause it's alright and even if I'm feelin' like I  
wanna complain that my right and if I choose to  
Lie, cuss, buss, or fight damn right

I just don't wanna be misunderstood nobody telling me  
what's wrong or right bad or good cause I'm grown  
I wanna feel free to release it if that's the way I'm  
feeling I wanna believe who I am to be and if I feel  
Disrespected that should be respected that's right  
above restriction of opinions how ever I whatever I

I wanna feel free to release it if that's the way I'm  
feeling I wanna believe who I am to be and if I feel  
Disrespected that should be respected that's right  
above restriction of opinions how ever I whatever I

I wanna feel free to release it if that's the way I'm  
feeling I wanna believe who I am to be and if I feel  
Disrespected that should be respected that's right  
above restriction of opinions how ever I whatever I
