You take me down
Further inside of me
Now I'm fading out
I can barely see, I hover

To see you leave again
It's over
And it kills me to watch you descend
To the end

I can't think straight
Shutting me out, closing me out
Are you trying, hurting?
Taking me out, leaving me out
Keeps me struggling
You're leaving

You take me down
Further inside of me
Now I'm fading out
I can barely see, I hover

To see you caving in
I'm undone
And to say it's the last time again
It's the end

I can't think straight
Shutting me out, closing me out
Are you trying, hurting?
Taking me out, leaving me out
Keeps me struggling
I'm leaving

You take me down
Further inside of me
Now I'm fading out
I can barely see, I hover

I'm watching you descend
I'm hovering instead
I'm watching you descend

I'm hovering instead

You take me down

Further inside of me

Now I'm fading out

I can barely see, I hover

I hover, I hover, I hover again
