I can see  
It makes you strong  
It comforts me  
And it feels me up  
This time why can't I see  
To make you up  
This time why can't I leave  
And to keep you hear  
This time why can't I be  
To keep you up  
This time why can't I say

I could walk away  
Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up

Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up

I can't see  
It makes you strong  
It comforts me  
It feels me up  
This time why can't I see  
To make you up  
This time why can't I be  
And to keep you hear  
This time why can't I leave  
To keep you up  
This time why can't I say

I could walk away  
Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up

Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up

Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up

Deep down without ever taking it back  
Break down without ever taking it back  
Lights out  
For you it keeps me up
