You said, "Hold on"
But I feel like I'm slipping away
And you said, "Hold on"
But it feels like I'm slipping away

I won't let you down
The words you said to me
It's echoin' the sound
Of what would never be

I'm standing here alone
The memories remain
The same familiar home
But nothing looks the same

And I'm standing here alone
Can't tell if I'm awake
Reality is gone
In a dream I can't escape

You said, "Hold on"
But I feel like I'm slipping away
And you said, "Hold on"
But I feel like I'm slipping away

I'm getting through it now
I guess it's plain to see
That everything I am
Is not everything you need

I'm standing here alone
Can't tell if I'm awake
Reality is gone
In a dream I will escape

You said, "Hold on"
But it feels like I'm slipping away
You said, "Hold on"
But I feel like I'm slipping away

I'm standing here alone
Can't tell if I'm awake

And it feels like I'm slipping away
Reality is gone in a dream I can't escape
And I feel like I'm slipping away
