Lying in my bed, I hear the clock ticks, and think of you
Caught up in circles, confusion is nothing new
Flash back, warm night, almost left behind
Suitcase of memories...
Time after

Sometime you pictured me, I'm walking too far ahead
You're callin' to me, I can't hear what you've said
You said, "Go slow, I fall behind"
The second hand unwinds...

If you're lost, you can look and you will find me,
Time after time
If you fall I will catch you, I'll be waiting,
Time after time

I turn, my picture fades, and darkness has turned to
grey
Watching through windows, you're wondering if I'm
okay
Secrets, stolen, from deep inside,
The drum beats out of time...

If you're lost, you can look and you will find me,
Time after time
If you fall I will catch you, I'll be waiting,
Time after time

If you're lost, you can look and you will find me,
Time after time
If you fall I will catch you, I will be waiting,
Time after time

Time after time...
