Turn on the bright light
Are we alright?
This is the fright night
I know, and where do we go?
Monaco? yeah you know
I'm on the whip a mess
Badly overdressed
We make the bests, bad too
Nothing left to be a part of
when we're through

Close call after all, Fuck off!
I wish you wouldn't call me, Kennedy
Come to me down on steady ground
I need your ocean colour scene
My dream stuck in between
A bad dream but instead of me
asleep on a train

Tandem bikes in the street
Steady drum beat
We try to keep up on our feet
Always much too windy over here
Very clear

(I wish I was a panda bear
quiet light perfect hair
I wish I was a panda bear
quiet light perfect hair
I wish I was a panda bear
Panda Bear I wish i was quiet)

Alright go tonight, fly your kite
alone out on the runway
Marabou hoping to
leave your steady ground
I need your ocean colour scene
My dream stuck in between
A bad dream but instead of me
asleep on a train

Turn on the bright light
Are we alright?
After the fright night
I know, and where do we go?
Monaco? Lets go
