

Lk, The "Private Life Of A Cat"

For a cat I am very offensive
and I do have a thing for you
I will hide in the snow if I need to
My foot is black and the rest is attitude

Can you tell now the answer to disco
Did you know about hollywood
The greyhounds are a drag
And the pool's man, and the other lads
Let's get ready to rumble for the neighborhood

Where did all the love go?
People, let's have a fight and be done with Jenny and
Joe
Where did all the love go?
I don't know why my friends always call me, Romeo

You know me I always end up in trouble
I don't remember how, how to stop
I know you won't talk
and your mothers laugh when we jaywalk
And me, I'd rather go dancing than growing up

For a cat I am very offensive
and I do have a thing for you
I will hide in the snow if I need to
My foot is black and the rest is attitude

Where did all the love go?
People, let's have a heart and be chill with Jenny and
Joe
Where did all the love go?
I don't know why my friends always call me, Romeo
Where did all the love go?
You me no, we'll never get to the rainbow, moving slow

Where did all the love go?
I don't know why my friends always call me
I don't know why my friends always call me
pretty stark for a name but I'll take it, Romeo
