Verse 1: Truth Hurts]

He breaks, me down, he builds, me up

He fills, my cup, I like, it rough

We fuss, we brawl, we riot, we fall

He comes, in late, but he's, ok

He do, I do, he knows, the rules

He takes care of home, when he's not alone

I'm on, his knee, he keeps, me clean

And gives, me things, he makes, me scream

[Chorus: Truth Hurts]

He's so contagious, he turns my pages

He's got me anxious, he's what I waited for

He keeps me guessin, spontaneous

He's so persuasive, and I'm his lady

[Verse 2: Truth Hurts]

Oh! Tonight he's waitin, and I ain't complainin

I'm entertainin, my number one fan

My back is achin, from our love makin

Oh yes I'm takin, ain't no use in fakin

My ups, my downs, my high and my lows

From head to toe, he makes me glow

He hits the spot, he makes me hot

I'm all that he's got, and he's all that I got

[Chorus: Truth Hurts]

He's so contagious, he turns my pages

He's got me anxious, he's what I waited for

He keeps me guessin, spontaneous

He's so persuasive, and I'm his lady

[Verse 3: Rakim]

Thinkin of a masterplan, you know anything you need
baby ask your man

You was there from a half a grand

Now it's kelos to c notes and how fast your grands

We ball like we own the world, your only concern is you
my only girl

And when we speakin in tongues

Breathin hard when I'm squeezin your lungs

Keep it strong, but I gotta hit the streets when I'm done

It's joy and pain, when you try to get ahead of the
game

It's fucked up but you never complain

You just pray I don't get killed when I hit the hood

Just another hundred mill and I'm a quit for good

No more drug wars trips to jail and shootouts

Gettin loot out for lawyers and bail will get you boot out

Just me and you high off sex I'm twisted

You OG'd and you OD addicted

[Chorus: Truth Hurts]

He's so contagious, he turns my pages

He's got me anxious, he's what I waited for

He keeps me guessin, spontaneous

He's so persuasive, and I'm his lady

He's so contagious, he turns my pages

He's got me anxious, he's what I waited for

He keeps me guessin, spontaneous

He's so persuasive, and I'm his lady
