My pride had been blinding me  
My eyes opened in time to see  
My heart overflow with light  
Our lives begin anew this night  
The dawn is breaking open  
Awakened at last, these eyes finally see  
That there is so much more  
Than this anger within me  
A heart filled with love  
Leads to a life filled with peace  
Our days are long and getting longer  
Our hope burns bright and is growing stronger  
Our fears are cast far from sight  
Our lives begin anew this night  
The dawn is breaking open  
Awakened at last, my face turns to the sky  
There is so much more  
Than this anger between us  
A heart filled with truth  
Will conquer a mind filled with lies  
And this, is beautiful  
Rise, throw back the sheets of this slumber  
And rise, throw back the sheets,  
Shake off the sleep and rise,  
Awakened  
Too many days lost this slumber  
Awakened, too many lost too many gone  
Awakened, throw back the sheets,  
Shake off the sleep and rise.  
What fist dries the tears
