Baby, baby, oh yeah  
I got the story listen up, listen up, listen up

I got this story about this player named Jimmy  
He used to get down for me  
Whenever he wanted I told him he could come, get  
plenty  
He got the remedy

My bills was paid he kept me laced  
[Incomprehensible] fell in love instantly  
Then I got the call one day, they told me Jimmy's on his  
way  
The penitentiary, and it's no mystery

Now he can't come around, no more  
He's locked up for 10 or more  
I could have just flipped your door  
Well I'm gonna miss ya, that's for sure

Shut it down homie, I got you  
Just tell me what you need  
Won't forget you when I'm out boo  
Just to show love for me

What a feelin' start to use no lie  
Don't give a damn I sacrificed my life  
I got your back until the day you die  
Hell yeah I'm strong but baby I don't like this

But you can't come around, no more  
And you're locked up for 10 or more  
I should have just flipped your door  
I'm gonna miss you that's for sure, for sure

Why did you have to go, go, go, go  
'Cause I, I'm gonna miss the time we spent baby  
Maybe we should've run away

I'm gonna keep it tight while you're gone  
I'm waiting, you'll return one day  
I'm gonna miss the way you put it down at night

After all is said and done

Ain't no [Incomprehensible] phone me  
Baby, you're the only one

Baby, no, no, no, no, no  
Jimmy, Jimmy  
Jimmy, Jimmy  
Come on to me
