well ever since the first time i saw you, never been so
intreeged that my thoughts are filled with you, breakin'
my neck to get cute and go out with my friends to all
the parties hopin' maybe i'm gonna see you, don't
wanna do anything to loose this opportunity, gotta be a
gift from GOD he sent down just for me, got lost but
now i'm back cuz all i wanna do is just be where you at.
chorus: mmmmm you, what you gonna try to make me
proove suga, mmmmmm you, wanna have your
children 3 or 4 of for you, mmmmmm you.

so ghetto but fly, classy your manhood is all that, make
me feel all shy & shit around you, but whatever i need
daddy you take care of that (knowow how to take care of
that) just tell me what i need to do to be your number
one, everything you need everyday after your work is
done, don't even wanna date i'm already twisted up,
not tryna do nothin' to ever fuck this up.

chorus: mmmmmm you, mmmmmm you, mmmmmm
you, (whatcha gonna do to try to make me prove it)
mmmmmm you (wanna have your children 2 3 or 4 for
you)

your love puts me on a thrown, i could touch the sky
babe, & i'm drifting on a cloud cuz i'm satisfied,
your love is like a fix and i need to stay high, yeah, one
dose of your affection & i'll never come down (ya don't
gotta worry cuz you got me boy) you, you, you
your love put s me on a thrown, i could touch the sky &
i'm drifting on a cloud cuz i'm satisfied (your loves got
me goin' babe) your love is like a fix & i need to stay
high, one dose of your affection & i'll never come down
(truth surely wanna be ya lady)

chorus: mmmmmm you mmmmmm you.
