Hey Whatnots, what's happenin'  
Well Moments, what it is, brother  
Hey can I talk about what I wanna talk about this  
What is that  
Girls  
Right on

Girls, I like 'em fat, I like 'em tall  
Some skinny, some small, I got to get to know them all  
Girls, love the things they know, love the things they  
show  
Got to be with a girl - pretty girls  
The sunshine in their hair, the perfume that they wear  
Girls are everywhere

I'd like to be on an island with five or six of them fine  
ones  
With one that ain't good lookin'  
They're the ones that do the best cookin'  
Give me one with a lot of money  
Give me two with lots of honey  
Give me three that do them freaky things  
Give me four, five more that like to swing

Girls, I love the things they know, love the things they  
show  
Got to be with a girl - bad girls  
The sunshine in their hair, the perfume that they wear  
Girls are everywhere

Girls - super fine, mighty fine, sugar and spice  
Everything nice - ah-hah-hah

I'd like to be a magician then I could stop wishin'  
I'd take my magic wand, and poof, I'd have me fun  
If the guys could see me, they'd swear I was Hoodini  
Before they could count from one to three  
I'd have ten girls standin' next to me

Girls, I love the things they know, love the things they  
show

Got to be with a girl - sweet girls  
The sunshine in their hair, the perfume that they wear  
Girls are everywhere

Girls, love the things they know, love the things they  
show  
Got to be with a girl - pretty girls  
The sunshine in their hair, the perfume that they wear  
Girls are everywhere

Girls, super fine, mighty fine, sugar and spice  
Everything nice, sugar and spi
