But now that the stars are in your eyes

I'm beginning to see the light

I never really went in for afterglow

Or candlelight on the mistletoe

But now when you turn the lamp down low

I'm beginning to see the light

Used to ramble through the park

Shadowboxing in the dark

Then you came and caused the spark

That's a four-alarm fire now

I never made love by lantern-shine

I never saw rainbows in my wine

But now that your lips are burning mine

I'm beginning to see the light

Used to ramble through the park

Shadowboxing in the dark

Then you came and caused the spark

That's a four-alarm fire now

I never made love by lantern-shine

Never saw rainbows in my wine

Now that your lips are burning mine

I'm beginning to see the light

I'm beginning to see the light

I'm beginning to see the light
