{VERSE 1} Well it tastes so sweet and it's easy to swallow I can't keep it, can't keep hold'in down And the road's so straight and it's easy to follow Why do I just keep on go'in 'round? ooh, right now

{VERSE 2} Use your imagination....it's o.k....right now Am gonna follow what I can take but wait'in on tomorrow cuz I can't take it now

{CHORUS} I keep hold'in, I keep hold'in, I keep hold'in, I keep hold'in out. I keep hold'in, I keep hold'in, I keep hold'in, I keep hold'in out.

{GUITAR SOLO}

{VERSE 3} And the pumpkin's ripe and it's easy to hollow Why does my Jack-O-Lan.turn brown? And the road's so straight and it's easy to follow Why do I just keep on go'in 'round?
