This song is about a race car driver umm who gets in an accident and he gets uh abducted by aliens at that moment and he comes back to save the planet and it's called yeah (yeah!) and it's called the Silver Shifter.....

Slow dive on carnival hill  
Slow down your makin me real  
Silver and 79 shifter and planets align  
{Chorus}  
Silver Shifter shift it out  
glider glider divin down

seven is never enough, slide her into the stuff  
slow gun and colorful flags  
shift her into the swag  
{Chorus}  
Silver Shifter shift it out  
glider glider touching down

Well I will go and you will show  
the moon will glow moonlight  
On the Silver Shifter, Silver Shifter...SHOUT!!  
{Guitar}

Softer down for the counts  
slide her in many amounts  
Silver is up for appeal  
Shifter make me real  
{Chorus}  
Silver Shifter shift it out  
glider is tighter touching down

I will climb and you will find the moon will shine  
moonlight on the Silver Shifter

Silver Shifter

Let's Go!!!!!!!
