- So many words are spoken - Round and round and
round and round - So many
confidences
broken - In this town - Too many cigarettes - I don't
want to feel like this any more - I go
running in the rain
- The television programmes - Go round and round and
round and round - Oh God, I wish
you were - Still here - Oh yes, I'm sorry for what I said - I
love you, but I still wish you were
dead - Now I'm running in the rain
- So much time for thinking - Round and round and
round and round - The boys all go
drinking - Just to shut it out - Out here in the water, the
wind - You know that you're alive
- Running in the rain
