Baby hold on to me

Whatever will be, will be

The future is ours to see

So baby hold on to me

Baby, what's these things

You've been sayin' about me

Behind my back

Is it true you might want a better life

Is it true you think

These things are lies, now

think about it baby

I'm gonna take you to the top

So baby hold on to me

whatever will be, will be (I say)

The future is ours to see

When you hold on to me

Hey-ey baby

You know the future's lookin' brighter

Every morning' when i get up

Don't be thinkin' 'bout what's not enough,now baby

Just be thinkin' 'bout what we got

think of all my love, now
I'm gonna give you all I got
So baby hold on to me
Whatever will be, will be
the future is our to see
When you hold on to me
Oh-oh, rich man, poor man, now
Really don't mean all that much
Mama's always told you, girl
That money can't buy you love
So baby hold on to me
Whatever will be, will be
The future is ours to see
When you hold on to me
Yeah, eh
Baby hold on to me
Whatever will be, will be
The future is ours to see
When you hold on to me
I say Uh! Hold on
Uh- hu! Hold on to me tighter
I'm never gonna leave ya now
Can't you please believe now
Never gonna let you go
So hold on to me tighter

Baby hold on to me

Whatever will be , will be

The future is ours to see

When you hold on to me

(Baby) Baby hold on to me

(Baby) Whatever will be , will be

(Baby) the future is ours to see

(Baby) When you hold on to me

Hold on
