I was listening to the radio

I heard a song reminded me of long ago

Back then I thought that things were never gonna  
change

It used to be that I never had to feel the pain

I know that things will never be the same now

I wanna go back

And do it all over again

But I can't go back I know

I wanna go back

Cause I'm feeling so much older

But I can't go back I know

I recall hanging out on Friday night

The first slow dance

Hoping that I'll get it right

Back then I thought I'd never ever stand alone

It used to be that a lonely heart was never shown

I know that things will never be the same

I wanna go back

And do it all over again

But I can't go back I know

I wanna go back

Cause I'm feeling so much older

But I can't go back I know

Can't go back

I can't go back

I know now that things will never be the same

I said

I wanna go back

And do it all over again

But I can't go back I know

I wanna go back

Cause I'm feeling so much older

But I can't go back I know

I wanna go back

And do it all over again

But I can't go back I know

I wanna go back

Cause I'm feeling so much older

But I can't go back I know

I wanna go back

And do it all over again

But I can't go back I know

I wanna go back

Cause I'm feeling so much older

But I can't go back I know

No, No

And do it all over
