Verse One

I was all alone, I was feeling rather low
I needed someone to lift my spirits up, so I drooped in
on a dance
Just to take a glance and there this lovely thing was
She was more than enough, I asked her for her hand
Said would you like to dance, so pleased that I had
asked
She quickly took my hand, and we danced and fell in
love, on a slow jam
Ohhh

Chorus

Play another slow jam, this time make it sweet On a
slow jam
For my baby and for me
Play another slow jam, this time make it sweet On a
slow jam
For my baby and for me

Verse Two

Seems what you say is true, I feel the same way too
You see I waited all night long just to dance with you
And when you touched my hand, I knew you were the
man
To turn my world around, and make my dreams come
true
The magic in your eyes made me realize that
everything I feel has got to
be real
And we danced and fell in love, on a slow jam

Repeat Chorus

Usher

I've been trying to find someone who I can give my
good lovin to
Never, ever did I dream I'd find someone

Monica

Now I've been tryin to find someone too
I prayed to heaven and then I found you
I swear I fell in love the night you danced into my heart

Repeat Chorus
