We're gonna wake this city tonight
Oh, watch it burn into the twilight
I said hey, hey, hey this is our birthright
To be bought and sold, shipped off ready to die
We're ready to fight

Chorus:

We're going bom bom bom
Bom bom away bom
Bom bom, bom bom
We go bom bom, bom bom away bom
Bom bom, bom bom

I can't drink or drive a tank at nineteen
So I set off to join the U.S. Army
The first time I left my country
I felt the desert sand marchin' under my feet
Come march with me

Chorus

We're gonna take this city tonight
We're gonna shake this city 'til broad daylight
We're gonna take this city tonight
We're gonna shake this city 'til broad daylight
Shake it, oh shake it

I said no NYC, Los Angeles
No Saint Louis, no New Orleans
No you and me, no you and me, no sympathy
'Cause we're gonna bring them, bring them to their
knees

Chorus

We're gonna take this city tonight
We're gonna shake this city 'til broad daylight
We're gonna take this city tonight
We're gonna shake this city 'til broad daylight
Shake it, no brights lights, no more big city
Shake it, no brights lights, no more big city

Shake it, no brights lights, no more big city
Shake it, no brights lights, no more big city
