Talking to you is not worth my time  
Talking to you is like watching the clock face  
Changing with the time (YOU CHANGE)  
I don't know you anymore (YOU CHANGE)  
Now you're back to who you were before!

Marionette who are you now?  
I am going to cut those strings to watch you fall  
Does anyone else know you're not real?  
Am I the only one that knows  
What you are and what you can't reveal (YOU CHANGE)  
I don't know you anymore (YOU CHANGE)  
Now you're back to who you were before
