I peeked inside of an open door
looked around--don't know what for.
Way too bright--could hardly see.
Oh no--can't believe it.
Oh no--could almost see it.
In a dream in blue.

I flew around with shiny things,
And when i spoke i seemed to sing.
High above--floating far away.
Oh no--can't believe it.
Oh yeah--could almost feel it.
In a dream in blue.

Woke up laughing in my bed.
A silly smile stuck on my head.
Am I real or still in a dream.
Oh no--can't believe it.
Oh yeah--could almost see it.
In a dream in blue.

Bright blue mystery
Lights shining across
piano lid wings.
Of two angels dressed in jewels
holding tools against a velvet sky.
full of stars and big bars that shoot
up all around.
Little kid dreams that never,
ever go away.
