Kiko and the lavender moon
out playing--makes believe
nobody can see.
And then we waits.
And then he fakes.
And then he bends.
And then he shakes.
He plays and plays.
Still playing till he goes off to sleep.

Kiko and the Lavender moon
out dancing making faces at a big black cat.
And then he flies up to the wall
stands on one foot
doesn't even fall.
Dance and dance
still dancing till he goes off to sleep.

He always sleeps till the sun goes down.
He never wakes till no one's around.
He never stops, can't catch his breath.
It's always there scares him to death.

Kiko and the Lavender Moon
out dreaming 'bout green shoes, haircuts, and cake.
And then he wishes the world away, and then he kneels
as if to pray.
He dreams and dreams
Kiko and the Lavender Moon.
