You, one two three, one

Looking out my window
I see my world has changed
The sun won't rise this mornin'
'Cause my baby's gone away

Yesterday I can tell myself
That she'd be back for sure
But that train don't stop here anymore
Anymore, anymore

She used to go out with the girls
Every now and then
She always came home early
We'd jump in bed by ten

She'd tell me that she loved me
She would forevermore
But that train don't stop here anymore
Anymore, anymore, anymore

Alright

Nothin' changes faster
Than baby's fickle mind
I know she' lovin' someone
Somewhere down the line

I know that she still has a key
I'm waiting by the door
But that train don't stop here anymore
Anymore, anymore, anymore, hey

Knock yourself of it

She ran out through the back door
Screamin' in the night
She said I was the devil
I didn't treat her right

The man down at the station
Said that was her for sure
Now that train don't stop here anymore
Anymore, anymore, anymore
