Not 'bout winning or losing  
Or being confident  
Not for smiling, even crying  
'Bout sentiment

Not 'bout richer or poorer  
Or being affluent  
Not 'bout sharp or even clever  
Or intelligent, intelligent

Don't really matter at all  
When a house of card's gonna fall  
Before you try again  
Turn around, turn around  
Turn around, turn around

Never 'bout being wrong  
Or ever right  
Never a winner or a loser  
Or acting outta sight, outta sight

Don't really matter at all  
When a house of card's gonna fall  
Before you try again  
Turn around, turn around  
Turn around

Before you try again  
Turn around

Whether coming or going  
Never know what to do  
Never look for a reason  
When you break the rules

Before you try again  
Turn around, turn around  
Turn around, turn around

Before you try again  
Turn around
