The last time I seen viking
He was about this tall
With a tattoo
Where a smile should've been
Of his sweetheart's name
Of his sweetheart's name

Do you remember viking?
He was about you and me
With a big scar
Where his heart should've been
Inside his chest
Inside his chest

Do you, do you remember viking?
Do you remember viking?

The last time I saw viking
He was about so tall
With a tattoo
Where his heart should've been
He was about everything
He was about everything

Do you remember viking?
Do you remember viking?
I remember viking
