Year Is Nineteen Eighty Five  
And It's A Miracle You're Still Alive  
We Need Another Tragedy  
To Show The World Who's Boss  
And Then You'll See

Since I Flew  
Did Things To Me  
All I Knew  
Different Story

Think Small  
Act Small  
Be Small

Past Falling Onto Smooth Sailing  
Witness Earth Trailing Far Behind

Wives Balling Cause Now God's Calling  
And All Hope Is Falling From Their Minds

Since Man Was Born  
He Knew The World  
Was Too Small For His Mind  
And Dreams Were Made  
To One Day Reach The Sky  
And God Held Out A Helping Hand  
Intending To Be Kind  
And Pompous Man Just  
Gave It A High Five

Lunar Race  
Revelation  
Outer Space  
Our Creation  
March Forth  
Bold Traveler  
Into Your Destiny

Past Falling Onto Smooth Sailing  
Witness Earth Trailing Far Behind

Wives Balling Cause Now God's Calling  
And All Hope Is Falling From Their Minds

God Hates Astronauts  
And God Hates Astronauts  
Cause God Hates Astronauts

What Nietzsche Said Is Far From True  
Because I'm Far About Still Watching You  
And When You're Orbiting Though Heaven's Skies  
Your Will To Power Falls Before It Flies

Since I Flew  
Did Things To Me  
All I Knew  
Different Story

Lunar Race  
Revelation  
Outer Space  
Our Creation  
March Forth  
Bold Traveler  
Into Your Destiny

March Forth  
Bold Traveler  
Into Your Destiny

Astronaut Where Are You Now  
You're Hiding In A Room  
Where No One Will Assume  
You're An Astronaut  
Dry Those Weary Eyes  
And Come To Out Space  
To Join The Human Race  
Astronaut Little Astronaut
