Understand this will all be clear  
It's my plan voices that I hear  
Perfection it will be achieved  
Elation puts a mind at ease

Evolution of the species  
Mother natures not all she's crack up to be  
Look at all we've been left with  
Social darwinism takes too long for me

The deed is only strong as the will  
And that's when everyone will be killed

What will I learn from all of this  
Genocide held within a fist

When I sleep I hear them talking  
They've told me that it has to be this way  
I have faith in my purpose and we will  
Welcome greatness on the judgement day

Been controlling me through their implant systems  
That I know they have inserted in my head  
But I'm much too smart to be a part of submission  
And the mistakes will come full circle when they're  
dead

Chaos  
Shall cease  
Death will  
Bring peace

Conspiracy is just a word until it's proven  
To the conquest I'll no longer be a pawn  
And I'll find a way to finish all my opposition  
And the day shall be awakened from the dawn

Chaos  
Shall cease  
Death will  
Bring peace

Bring peace

The deed is only strong as the will  
And that's when everyone will be killed

Pieces set the game in progress  
Soon the weak will all awaken to their fate  
Population check in motion  
All that's left is to sit right back and wait
