One day  
While at the dollar bill store  
I found something that I  
Wasn't quite looking for

This was  
Something perfect for me  
It seems I got myself a pet

A pet that you  
A pet you couldn't see  
A pet that you  
A pet you couldn't see

It followed me  
Now I don't have the room for it  
But I just had play with it, see  
Because it had to play with me

But it's my pet  
My pet you couldn't see

What should I do  
See I don't have a name for it  
'Cause I don't know if it's a he  
Or if it is a she

But it's my pet  
My pet you couldn't see

Pet without a sight  
With me every night  
You're my favorite thing  
All the joy you bring

I've got an invisible pet  
Don't know exactly what it is  
Or if it knows that it's like this

Can't stop my invisible pet  
Some people are allergic to  
Can't figure out just what to do

This is my invisible pet  
Sometimes it seems a little shy  
I guess its got its reasons why

Me and my invisible pet  
Hope that it never goes away  
But you can't see it anyway, no

I know I'm an idiot  
But I still think it's kinda funny

Sometimes when it's not being good  
It's hard to punish it the way  
That I know I should  
Because it is such a cutie

But it's my pet  
My pet you couldn't see  
But it's my pet  
My pet you couldn't see

Down to a T  
When I have trouble scolding it  
I also have a hard time finding it see  
'Cause it can hide so easily

But it's my pet  
My pet you couldn't see

Pet without a sight  
With me every night  
You're my favorite thing  
All the joy you bring  
I've got an invisible pet  
Don't know exactly what it is  
Or if it knows that it's like this

Can't stop my invisible pet  
Some people are allergic to  
Can't figure out just what to do

This is my invisible pet  
Sometimes it seems a little shy  
I guess its got its reasons why

But it's my pet  
My pet you couldn't see

Pet without a sight  
But that's alright  
Because it's with me every night  
It doesn't bite

I say  
You're my favorite thing  
That's why I sing about  
All the joy you bring

I've got an invisible pet  
Don't know exactly what it is
