(Tubes)

I'll be your lover
We can discover a brave new world
Like cupid's warrior
I will destroy your sorrow girl
Don't resist me
There ain't no love defense department
Once you kiss me
There'll be a meltdown of your heart

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

Kiss, kiss, boom, boom
Bang, zoom to the moon

Love bomb--you are the target
Love bomb--of my thermal romantic device
Love bomb--I aim to get you
Love bomb--'cause I'm deadly but I'm so nice

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

10, 9, 8, 7, all good lovers go to heaven
Bombs away
6, 5, 4, 3, 2, 1, how I learn to love the love bomb

Kiss, kiss, boom, boom
Kiss, kiss, boom, boom
Kiss, kiss, boom, boom
Bang, zoom to the moon

Love bomb--I'll be your lover
Love bomb--Come and discover a brave new world
Love bomb--Like cupid's warrior

Love bomb--I will destroy your sorrow girl
Love bomb--Early warning
Love bomb--You told me to strike before the dawn
Love bomb--Atomic morning
Love bomb--D-Day has come for the love bomb

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

10, 9, 8, 7, all good lovers go to heaven
Bombs away
6, 5, 4, 3, 2, 1, how I learn to love the love bomb
