You've Got Friends  
You've Got Friends  
Practicing Ventriloquists

Sentences, Pretenses  
They're Spoken For You

But What They Don't Know  
Could Fill A Room

You've Got Friends  
What's Wrong With Them

Skeletons  
Just Talk To Them  
Or Go See A Doctor  
Of Medicine

So You're Depressed (So You're Depressed, You're  
Feeling Down)  
And Heads A Mess, I'll Listen To You (Your Head Is  
Floating In The Clouds)  
And Recommend, Then Promise To Meet Again  
(And Recommend A Time For Us, To See Each Other  
Again)
