Come on baby, I'm in love with you
I can't get it off my mind
I've been thinkin', I've been dreamin' oh
'Bout this heart of mine

In a day we'll know, oh, we'll know
Yes, we'll know
'Bout a heart that's strong
And a mind that is wrong

Take my hand and see
All the things you can be
Doo, doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

Come on baby, I'm in love with you
I can't get it off my mind
Mind's been foggy since I first spied that baby
I can't get it off my mind

First the sun will shine
See how bright the day
Then the rains will come
Wash away, wash away

All the blues will go
Oh, we'll know, yes we'll know
Doo, doo, doo, doo, doo, doo, doo, doo
Doo, doo, doo, doo

Brighter day
Brighter day
Brighter day

Brighter day
Brighter day
Brighter day

Come on baby
Come on baby
Come on baby
Come on baby

Come on baby
