Cathy's Clone
Dornacker

How do you do
I see you're smiling
Do I look familiar
Do you know my name

Well here's some news
The person you think I am
Is not only similar
We are exactly the same

Oh yes, I reproduced myself
And I did it on my own
Let me introduce myself
I'm not Cathy
I'm Cathy's clone

Didn't need no lover
Spared myself the bother
And the personal hell
Of love's sad story
Didn't need no mother
Didn't need a father
Just a night alone in a laboratory

Oh yes, I reproduced myself
And I did it on my own
Let me introduce myself
I'm not Cathy
I'm Cathy's clone

Sometimes I get confused
Which one is being used
Who gets the final say
What's it matter anyway
Is it me
Or is it her
Will you ever
Know for sure
It's for sure

Anyway
It's the same
I think I'll go solo now
Wait a minute
That's not me
