We, could be  
The last two on earth  
To start a new world

Just you and me, girl  
Try, and you can almost see  
How it could be, just you and me

Lost, trapped in the freezing cold  
Barely alive  
Have to make love to survive

I'll show you how it's done  
We'll take it as it comes  
A rocket to the sun

I don't want to wait anymore  
I just don't think I have the strength  
The strength to carry on

Oh, I don't want to wait anymore  
I've waited so long  
I forgot what I'm waiting for

Stranded on a desert isle  
With no one around  
For thousands of miles

Imagine any place  
This is what it takes  
But don't tell me to wait

I don't want to wait anymore  
I just don't think I have the strength  
The strength to carry on

Oh, I don't want to wait anymore  
I've waited so long  
I forgot what I'm waiting for

I don't want to wait anymore  
I just don't think I have the strength

The strength to carry on

Oh, I don't want to wait anymore  
I've waited so long  
I forgot what I'm waiting for

And I don't want to wait anymore  
I just don't think I have the strength  
I just don't think I have the strength to carry on

Oh, I don't want to wait anymore  
I just don't think I have the strength  
I don't want to wait anymore  
I just don't think I have the strength
