I'll let a train be my feet if it's too far to walk to
you

If the train doesn't go there

I'll get a jet or a bus

I'm gonna find you

You're mine and I know I'll find you

My head is my only house

Until I find you

I'll walk the meadow plains

Water deserts by my eyes until I find you

I won't sleep until I find you

I won't eat until I've found you

Heart won't beat

Until I can wrap my arms around you

Heart won't beat

Until I've found you

My arms are just two things in the way until I can wrap
them around you

You can make a sad song happy

And a bad world good

I can feel you out there movin'

You're mine and I know I'll find you

And my head is my only house unless it rains

I hate to let other people hear me sing this song

If it reaches you before I do

Follow this song to I love you

That's where you'll find me

That's where you'll find me

Heart won't beat

Until I can wrap my arms around you

Heart won't beat

Until I've found you

My head is my only house unless it rains

I hate to let other people hear me sing this song

If it reaches you before I do

Follow this song to I love you

That's where you'll find me

That's where you'll find me

Heart won't beat

Heart won't beat

Heart won't beat

Until I found you
And my head is my only house unless it rains
