"No Mercy"

Well, it's a shame when you got nobody
And it's a drag when you got no friends
But it's a worse when you get no mercy
And you're startin' all over again

And back in my own world
Nobody bugs me
But down on the shop floor
They show me no mercy

I've been down to the railway station
I've been over to the taxi stand
I've been standing in the lobby of the Hyatt Hotel
But I've never seen a helpin' hand

I'm lookin' for someone
Not out to get me
I'm keepin' my guard up
Expectin' no mercy

No mercy, no pity
There's no mercy for me, no sympathy
No mercy, no pity
There's no mercy for me, no sympathy

They say it's just like a gentle rainfall
But it ain't never rained on me

And back in my own world
Nobody bugs me
But down on the shop floor
They show me no mercy

They say it's just like a gentle rainfall
But it ain't never rained on me

And back in my own world
Nobody bugs me
But down on the shop floor
They show me no mercy

No mercy, no pity

There's no mercy for me, no sympathy
No mercy, no pity
There's no mercy for me, no sympathy

No mercy, no pity
There's no mercy for me, no sympathy
No mercy, no pity
There's no mercy for me, no sympathy
