Strung Out On Strings  
Spooner/Steen/Evans

No one made me do these things I've done  
I did it 'cause it seemed like fun  
So don't waste your time with talk of other things  
I'll only talk about my thing I have for strings

I got a 6-string Stella on Christmas day  
And my mama bought it used so my dad could play  
Well I picked it up and played a little Party Doll  
I forgot about girls, I gave up baseball

But I never dreamed how far  
I'd go with that guitar  
Gave this fat boy wings  
Strung out on strings

More than any Buddy Holly, Buddy Knox I idolized  
In a 6-string rock dream rockabilly lullaby  
I'll be playing with the Wailers soon  
When I get myself a new guitar  
Gonna earn that money  
Workin' in a go-go bar

But I never dreamed how far  
I'd go with that guitar  
Gave this fat boy wings  
Strung out on strings  
Strung out

Well I made a few records before I made this one  
And I made a little money  
You know I hope it's only just begun  
If I ever have a kid and he's a boy  
Gonna tell him one thing  
I'll say, "Buy yourself a marimba!  
Don't let me catch you pickin' strings"

I never dreamed how far  
I'd go with that guitar  
Gave this fat boy wings

Strung out on strings  
Just strung out

You'll never know  
How far you'll go  
Discography  
Now  
Strung Out On Strings
