Skating down in Shinjuku
When I smelled love in the air
Strolling by the pagoda
The fragrance flows from somewhere

Will my Suki find me in time
Or will her sushi spawn?
The odor drives me out of my mind
The scent goes straight to my prawn

Su su sushi, mushi, mushi
Cherry blossoms and rice
Su su sushi, she's so nice

Recklessly, I order away
This one thinks it's still swimming
Tail and fin, she dives right in
Who could ever want more?

Su su sushi, mushi, mushi
Cherry blossoms and rice
Su su sushi, she's so nice

Su su sushi, don'tcha cry
Take you to the sushi bar
And buy ya some fillet and claw
Clam and tuna, gonna eat it raw

She's my my abaluna, suck a tentacle
Dip it in sauce, hot green root, it sure is boss
My only advice is to slice it nice
And wrap it in rice, oh, what a device

Su su sushi, mushi, mushi
Cherry blossoms and rice
Su su sushi, she's so nice

Su su sushi, she go mushi
Cherry blossoms and rice
Su su sushi

Su su sushi, she go mushi

Cherry blossoms and rice
Su su sushi
