Heard you talk about leaving
Heard you talk about leaving before
Heard you talk about giving up on me.

Heard you talk about changing
but talk is cheap and I've heard it all before
Used to be that I'd fall apart
but that don't work no more.

'Cuz you can't leave half way
and I can't let you stay

Chorus:
Take your promise take your pain
Take your restless heart
If you go
go all the way
Don't look back

'Cuz in my heart you've been gone so long
that I won't miss you that bad
If you go
go all the way
Don't look back

So you ask me why I'm not crying
I did all of my crying before
I took off my pity party dress and
I don't dance no more

I don't need someone else
to make me feel myself

(chorus)

Bridge:
Don't look back...don't look back

(chorus out)
