Amy she lives in the house next door  
stained glass windows and padlocked drawers  
deep dark closets and parkay floors  
Amy she lives in the house next door  
Amy, she's everyones favorite whore  
And you know what she says  
Right or wrong  
Right or wrong  
Right or wrong  
I want to give it to you

Madeline, she's in love with Germaine  
Germaine's in love with her brother Ray  
Ray's got no plans right now, anyway  
Madeline's husband and brother Ray  
There go Madeline's husband and brother Ray

And you know what they say  
Right or Wrong  
Right or Wrong  
Right or Wrong  
I want to give it to you

She knows you  
She knows you  
And maybe that's why  
why it feels she's got your pulse under her thumb  
She knows you  
she loves you  
but maybe love's blind  
and it feels she's got your pulse under her.....  
THUMB

And here I sit unrelieved  
pen in my hand and heart on my sleeve  
analyzation is art's pet peeve  
pen in my hand and heart on my sleeve  
pen through my heart and blood on my sleeve

And maybe that's why  
why it feels she's got your pulse under her  
THUMB
