It was rain for a year  
drop for drop and tear for tear  
on the girl who wouldn't stand out in a crowd.

She was born to the son  
of a mini van salesman  
on an early August morning under clouds.

Sweet romance, like her dreams  
came in Spinster Magazine  
her Romeo was on page 33

Chorus:  
He buys her diamond rings  
he's always listening  
he tells her everything  
all those things that a girl would ever want to hear  
But that's not truly love Rosita dear.

On a plane  
bags are packed  
with The Bell Jar on her lap  
and a half devoured Harlequin novella

You are much  
much too young  
to be leaving with no one  
but Fabio in black jeans

Chorus 2:  
He'll give her Mexico  
tied up in a bow  
and all the girls she knows green with envy  
wishing they met one as cavalier  
But that's not truly love Rosita dear.

Bridge:  
Ooooo there was a time you gave  
your heart and soul away  
Now, all that you give is up  
Don't lose the love you save.

Chorus 3:

He'll give her Mexico  
tied up in a bow  
and all the girls she knows green with envy  
wishing they met one as cavalier  
But that's not truly love Rosita..

Romantic dinner date  
he'll never show up late  
and all the girls you HATE are green with envy  
wishing they met one as cavalier  
But that's not truly love Rosita dear
