They will feed you lines
Call you 'bella' 'sunshine'
Make it seem like you're theirs
Buts those lines, they were once hers
He whispered them to me
And they could be yours

It's just a break down and it happens all the time
It's just a break down and it happens all the time

Because, because your words still haunt me
This circles keeps going 'round and your causing me
insanity
With you, life's a prison
Bail me out, see ya, good riddance
I can't take this again

Maybe someday I'll get it right
Stop eating your words and live by mine
Look in the mirror and find some peace
Burn your letters and get some sleep
Way to lull me into your trap
Tell me I'm loved
Don't use me like that

It's just a break down and it happens all the time
It's just a break down and it happens all the time

Because, because your words still haunt me
This circles keeps going 'round and your causing me
insanity
With you, life's a prison
Bail me out, see ya, good riddance
I can't take this again

I know what your thinking
Thinking I'm just a pawn
Well here's a news flash 'Mr. Me'
You can not break me

You can not break me

You can not break me
You can't break what's already broken

Because, because your words still haunt me
This circles keeps going 'round and your causing me
insanity
With you, life's a prison
Bail me out, see ya, good riddance
I can't take this again
I won't take this again
Dear Heart, Dear Heart
Stop lying
