Test one two three  
Can anyone here me?  
I just wanted to say  
I'm not who you paint me as  
I'm not just another face  
I'm someone you should know  
Yeah I'm someone you should

I'm not another girl in the crowd  
I want to make my sister proud  
I'm a little off beat but I'm not a repeat  
I'm afraid to speak my mind  
But some how I do it all the time  
I'm soft of complete but I'm someone you should meet

Some times I try to fit in  
But that only makes me stand out  
I've always wanted to look like them  
But I never could some how  
I was just a girl with a guitar  
And I'm just playing not trying to be a star

I'm not another girl in the crowd  
I talk way too loud  
I'm not to discrete but I'm really sweet  
I'm afraid to never find  
Someone for me, to call just mine  
I'm soft of complete but I'm someone you should meet

Test one two three  
Can anyone here me?  
I'm someone you should know  
Yeah I'm someone you should

I'm not another girl in the crowd  
I want to make my sister proud  
I'm a little off beat but I'm not a repeat  
I'm afraid to speak my mind  
But some how I do it all the time  
I'm soft of complete but I'm someone you should meet
