I don't need no one No one needs me But I don't care I'm feeling free

This world is going down While we're still around Nature is turning Aginst human kind

I'm not a label, I'm no one I'm not a label I'm nobody I'm not a label but I'm a person I'm just me and I'm anarchy

I'm not a skater, I'm not a punk I'm not a hater, I'm not some scum I'm not a label, but I'm someone I'm just me and I'm anarchy

Sluts drinking every night Fucking up their lives Wasting every-Thing they've worked for In the past

Guys smoking weed At age 13 Creating stereotypes Accepted by society!

Chorus

I'm not a label, I may be a punk I'm straight edge but I still have fun So fuck those drugs and fuck this world I'm just me and I'm anarchy!

This world needs change (This world needs change)
This world needs rebellion

I'm right here with my anarchy
