I'd like to tell you how I love you, oh girl
I'd like to see your smile again
I'd like to touch your hair in darkness, oh girl
You don't know I'm in love with you.

I'd like to tell you how I miss you, oh girl
I beg you now stay for a while
I'd like to see your face in darkness, oh girl
I'd like you to be my friend.

The night is tender now,
The shadows are falling slowly,
Hear my voice it's calling your name,
I think you'll never find
What is on my mind,
I don't know why, you look so desired, my love!

I'd like to tell you how I miss you, oh girl
I beg you now, stay for a while,
I'd like to touch your hair in darkness, oh girl
I'd like you to be my friend!
