I close my eyes - and feel my heart beat  
Why should I try - deny what I need  
If you come walkin' through this door  
What am I supposed to say or do  
With every look I love  
you more  
So don't you make my  
brown eyes blue  
What is love? Without you  
You're on my mind - you  
are the only one  
Give me a sign - do  
you feel lonely  
If you cam walking through this door  
What am I supposed to say or do  
With every look I love you more  
so don't you make my brown eyes blue  
What is love? Without you
